

LARYNGECTOMY PROTECTORS

SOFSHIELD LARYNGECTOMY PROTECTORS

LATEX
FREE

Sofshield Laryngectomy Protectors can be washed a minimum of 10 times, offering a significant cost saving over alternative protectors that still use foam inserts.

Available in 4 colours, white, blue, beige and black. The blue and beige protectors have an antibacterial coating to help prevent infections occurring, while also eliminating the need for costly additional cosmetic covers.

Sofshield uses a unique toggle system that eliminates the need to tie cords.

- Listed on FP10 Drug Tariff
- Latex-Free
- UK Manufactured
- CE Marked
