CALZURO® Pro Safety

(WITH SAFETY TOE-CAP)

Soft and practical professional footwear with closed back-heel, made of a brand-new special ultra-light copolymer, latex-free, casein-resistant.

Easy wear slip on and slip off and safe fit for maximum comfort and further your safety policy at work. Supplied without side vents, with antistatic plug and with synthetic polymer protection metal-free toe-cap (*impact resistance of the toe-cap: 200 Joule on the toe*).

The safety toe-cap provides adequate protection against mechanical risks, such as impact and crushing/breakthrough, but it shows greater lightness than the corresponding leather shoes with steel toe-cap.

Slip-resistant sole CE certified. 100% Made in Italy.

Certified according to EN ISO 20345:2011, requirements:

S4 (additional requirements):

- **Heel area closed**
- **A** (antistatic properties)
- **E** (energy absorption of seat region)
- **C leated outsole**
