

TRACHEOSTOMY CARE

TRACHEOSTOMY TUBE HOLDER

LATEX
FREE

The Insight Tracheostomy Tube Holder uses the highest quality materials to provide a safe and secure fixation for the tracheostomy tube.

The neck band is manufactured from an ultra soft brushed cotont/foam material that prevents soreness and discomfort to the patient.

A simple to use two-piece design allows quick fitting to the majority of neck sizes, while the integral 'cough strip' enables reflex movement to the patient if needed.

- Adult and Paediatric sizes available
- Listed on FP10 Prescription
- 2-Piece design allows secure fitting for most sizes
- Cough reflex section offers more patient comfort
- Latex-Free
- UK Manufactured
- CE Marked
